Next Step

E-mail

Your E-mail address will be used as a login. This address will be used to send you the message with the code to confirm the registration of your Members Area, as well as the messages to confirm any other operations.

3. Step – verify account

In order to be able to pay out your winnings, you must verify your identity.

At RoboForex this is very quick and easy.

Go to: "**Profile**" -> "**Your Verification**" and follow the instructions to verify your account. When you have completed all steps, you will receive a confirmation email and your verification status should now look like the picture below.

Verification

Verification type	Status
E-mail verification	Verified
ID/Passport Verification	Verified
Address verification	Verified

Verification is a procedure of documentary confirmation of your personal information. To complete the verification procedure, you have to confirm your identity (the passport verification) and your actual residence or address (the address verification).
